

LINE ARRAY SERIES

LA4

16 ohm
Unpowered
Pole Mount

LINE ARRAY SERIES LA4

The LA4 is an unpowered passive 16 ohm Line Array speaker. The back panel features two combination input jacks that will accept either a 4 pole Speakon™ (twist lock) or 1/4" plug. These two input jacks are wired in parallel to provide a convenient way to daisy chain multiple speakers to a single amplifier channel. The LA4 features a pole mount socket on the bottom of the cabinet that fits a standard 1-3/8" speaker stand. This makes the LA4 a good choice for portable PA applications or for permanent mounting with certain wall mount brackets that employ the socket.

**GREAT MID/HIGH
BOX FOR ANY LIVE
SOUND APPLICATION**

Also available in white &
as a permanent mount
with mounting points as
LA4PM-W shown to right
