GALAXY ADDS TWO SLEEK NEW COMPACT TRANSMITTERS TO THEIR POPULAR TRAVELER SERIES.

Galaxy Audio has added two new transmitters to their Any Spot Traveler line. The AS-TVBPT is a Pendant Style Body Pack Microphone, while the AS-TVH2 is a Compact Condenser Handheld Microphone.

The AS-TVBPT Pendant Microphone allows users to go completely hands free. Simply wear the AS-TVBPT around your neck while you give your presentation and the built-in microphone will allow your audience to hear what you have to say. It is frequency agile, offering 96 selectable channels & features a rechargeable lithium-ion battery that will carry a charge up to 16 hours.

The AS-TVH2 Compact Condenser Handheld offers the convenience of a handheld microphone in an easy to carry, lightweight form. This microphone features a switchable "Push to Talk/Push to Mute" button, 96 selectable channels, & backlit LCD display. The AS-TVH2 runs on 2 AA batteries and will run for up to 16 hours.

Street Price starting at \$159.99
