

Short-Boom Headset Mics with a Discreet Stage Presence Perfect for Youth and Adult Performers.

Galaxy Audio has built a reputation for offering an impressive range of Earset and Headset Microphones designed for virtually any performance application. The new Short-Boom series of Earset Microphones delivers a discreet appearance when there is a need for the mic to be unobtrusive. The short Microphone boom allows for easy adjustment while remaining out of the way. Designed to be discreet on adults and an excellent choice for young stage performers needing great sound quality without being a distraction to the performer or the audience.

As with all of the ESM Series Earset Microphones, the super lightweight design makes wearing them more comfortable, even for long periods of time, without using excessive pressure to hold the microphone in place. Also, our detachable cables can be wired to work with transmitters made by Galaxy Audio[®], Shure[®], Sennheiser[®], AKG[®], and Audio Technica[®], as well as most other brands of wireless microphone systems.

- 2.36" Mic Boom Length
- Wraps Around One Ear
- Flexible for Easy Formation
- Condenser Element
- 4 Detachable Cables of your choice included

WIRELESS HEADSET MICROPHONES

ESM4S/ESM8S

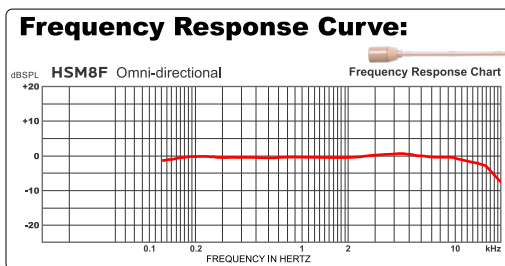

ESM4S Specifications:

Mic Boom Length: 2.36"
Polar Pattern: Omni Directional
Frequency Response (Omni): 85 Hz - 15 kHz
Impedance: 2,200 Ohms ± 30% (at 1 K Hz)
Sensitivity: 10mV/Pa
Max SPL: 110 dB
Operating Voltage: 2.0 - 10 Vdc
Detachable Cable Length: 4' (1.22 m) x 1.5 Diameter, 1.5 mm Thick Detachable Cable
Element: Diameter 5 mm
Element Type: Back Electret Condenser
Included Accessories: Choice of 4 Cables, Windscreen, and Manual
Color: Beige
Weight Without Cable: 0.08 oz (2.3 g)

ESM8S Specifications:

Mic Boom Length: 2.36"
Polar Pattern: Omni Directional
Frequency Response: 20 Hz - 20 kHz
Impedance: 1.8kΩ ± 30% (at 1 K Hz)
Sensitivity: 8mV/Pa
Max SPL: 135 dB
Operating Voltage: 1.5 - 9 Vdc
Detachable Cable Length: 4' (1.22 m) x 1.5 Diameter, 1.5 mm Thick Cable
Element: Diameter 3.5 mm
Element Type: Back Electret Condenser
Included Accessories: Choice of 4 Cables, Cable Clip, Windscreen, and Manual
Color: Beige
Weight Without Cable: 0.06 oz (1.7 g)
